

INFORMATION CIRCULAR

(all information as at November 17, 2020 unless otherwise noted)

PERSONS MAKING THE SOLICITATION

This Information Circular is furnished in connection with the solicitation of proxies being made by the management of **Granite Creek Copper Ltd.** (the "**Company**" or "**Granite Creek**") for use at the Annual General and Special Meeting of the Company's shareholders (the "**Meeting**") to be held on Thursday, **December 17, 2020** at the time and place and for the purposes set forth in the accompanying Notice of Meeting and is furnished in connection with a solicitation of proxies for use at that Meeting and at any adjournment thereof.

The date of this Information Circular is November 17, 2020. Unless otherwise stated, all amounts herein are in Canadian dollars.

In light of the ongoing public health concerns related to the COVID-19 pandemic and for the health and safety of our shareholders, employees, advisors and other stakeholders, we strongly encourage Shareholders to vote in advance of the Meeting by proxy instead of attending the Meeting in person. We ask that anyone considering attending the Meeting in person review the most current advice of the British Columbia Ministry of Health and the Public Health Agency of Canada.

Public health restrictions and recommendations may require that we restrict the number of people in attendance at the Meeting. Any persons attending the Meeting will be required to comply with health and safety measures that we may put in place. You should not attend the Meeting if you or someone with whom you have been in close contact with are experiencing any cold or flu-like symptoms, or if you or someone with whom you have been in close contact has travelled to/from outside of Canada within the 14 days prior to the Meeting.

Registered shareholders and duly appointed proxy holders who regard their physical attendance at the Meeting as essential are asked to contact the Company at 1-800-482-7560 (toll free) or info@gcxcopper.com prior to 10:30 a.m. (Pacific time) on Tuesday, December 15, 2020 so that appropriate measures can be put in place to facilitate physical distancing and other precautions or alternative participation arrangements made to ensure the health and safety of all attendees. The Company will follow the guidance and orders of public health authorities in that regard, including those restricting the size of public gatherings. Each such shareholder or duly appointed proxy holder may be asked to complete a declaration regarding COVID-19 related health matters prior to being admitted to the Meeting.

GENERAL PROXY INFORMATION

Management Solicitation

The solicitation of proxies by the management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of the Company. The Company does not reimburse shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment of Proxies

Registered shareholders are entitled to vote at the Meeting. A shareholder is entitled to one vote for each common share that such shareholder holds on the record date of **November 12, 2020** (the "**Record Date**") on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the "**Designated Persons**") in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.

TO EXERCISE THE RIGHT, THE SHAREHOLDER MAY DO SO BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE'S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER'S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

In order to be voted, the completed form of proxy must be received by the Company's registrar and transfer agent, Odyssey Trust Company (the "**Transfer Agent**") at their offices located at Suite 323, 409 Granville Street, Vancouver, BC, V6C 1T2 (Attention: Proxy Department) by mail or fax, at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled time of the Meeting, or any adjournment or postponement thereof. Alternatively, the completed form of proxy may be delivered to the chairman of the Meeting on the day of the Meeting, or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the shareholder who is giving it or by that shareholder's attorney-in-fact duly authorized by that shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual shareholder or joint shareholders, or by an officer or attorney-in-fact for a corporate shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing:

- (a) executed by that shareholder or by that shareholder's attorney-in-fact authorized in writing or, where the shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and

- (b) delivered either:
 - (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or
 - (ii) to the chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or
 - (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either attendance at the Meeting and participation in a poll (ballot) by a shareholder, or by the submission of a subsequent proxy in accordance with the foregoing procedures.

A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Proxies and Exercise of Discretion

A shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the Common Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. The Common Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly.

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice of Meeting, and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Common Shares on any matter, the Common Shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by completing, dating and signing the enclosed form of proxy and returning it to the Company's transfer agent, Odyssey Trust Company, at Suite 323, 409 Granville Street, Vancouver, BC, V6C 1T2 (Attention: Proxy Department). Registered Shareholders can also vote their proxy online at <http://odysseytrust.com/Transfer-Agent/Login> and click 'vote'.

In all cases ensuring that the proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the proxy is to be used.

Beneficial Shareholders

The information set out in this section is of significant importance to those shareholders who do not hold shares in their own name. Shareholders who do not hold their shares in their own name (referred to in this Information Circular as "Beneficial Shareholders") should note that only proxies deposited by shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person well in advance of the Meeting.

The Company does not have access to names of Beneficial Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting.

The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the Form of Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder.

The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of Common Shares to be voted at the Meeting. Beneficial Shareholders are requested to complete and return the voting instructions to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge's dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the Common Shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting.

A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote Common Shares directly at the Meeting – the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have its Common Shares voted at the Meeting.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered shareholder and vote the Common Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Common Shares as proxyholder for the registered shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, a Beneficial Shareholder may request in writing that his or her broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote his or her Common Shares.

Notice to Shareholders in the United States

The solicitation of proxies involve securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act of 1934, as amended*, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia), as amended, certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue unlimited Common Shares without par value. As at the Record Date of November 12, 2020, the Company had 71,591,901 issued and outstanding fully paid and non-assessable Common Shares without par value, each share carrying the right to one vote. The Company has no other classes of voting securities.

Only registered shareholders as of the record date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting.

To the knowledge of the directors and executive officers of the Company, as at the Record Date, no person beneficially owns, directly or indirectly, or controls or directs shares carrying 10% or more of the voting rights of the Company.

Approval of Amendment to the Long Term Incentive Plan

The Company has in place a Long Term Performance Plan (the "LTIP Plan"). The LTIP Plan provides for the issuance of Restricted Share Units, Performance Share Units, Deferred Share Units, Stock Options and Stock Appreciation Rights (an "Award") to Directors, key employees and consultants of the Company.

The purpose of the LTIP Plan is to align the interests of those directors, employees and consultants designated by the Board as being eligible to participate in the LTIP Plan with those of the Company and its shareholders and to assist in attracting, retaining and motivating key employees by making a portion of the incentive compensation of participating employees directly dependent upon the achievement of key strategic, financial and operational objectives that are critical to ongoing growth and increasing the long-term value of the Company.

The LTIP Plan is designed to promote the long-term success of the Company and the creation of shareholder value by: (a) encouraging the attraction and retention of directors, key employees and consultants of the Company and its subsidiaries; (b) encouraging such directors, key employees and consultants to focus on critical long-term objectives; and (c) promoting greater alignment of the interests of such directors, key employees and consultants with the interests of the Company.

Description of the LTIP Plan

The LTIP Plan was approved by shareholders of the Company at our last Annual General Meeting on January 29, 2020 and currently permits the issuance of up to 8,000,000 Common Shares in respect of Awards granted under the LTIP Plan. The LTIP Plan is available to directors, key employees and consultants of the Company, as determined by the Board.

As required by the rules and policies of the TSXV or such other exchange upon which the Common Shares may be come listed for trading (the "**Exchange**"):

- (i) In respect of Stock Options:
 - a. the total number of Common Shares issuable to any participant under the LTIP Plan, at any time, together with any other security-based compensation arrangements of the Company, shall not exceed 5% of the issued and outstanding Common Shares;
 - b. Options issuable to any Consultant or persons performing Investor Relations Activities under the LTIP Plan shall not exceed 2% of the issued and outstanding shares in any 12 month period; and
 - c. The grant value of Common Shares issued or reserved for issuance under the LTIP Plan, together with any Common Shares issued or reserved for issuance under other security-based compensation arrangements of the Company, to any non-executive Director (excluding the Chairman of the Board, if any) cannot exceed \$100,000 annually.
- (ii) In respect of Deferred Share Units ("DSUs"), Performance Share Units ("PSUs"), Restricted Share Units ("RSUs") and Stock Appreciation Rights ("SARs"):
 - a. the total number of Common Shares issuable to any Participant under the LTIP Plan shall not exceed 1% of the issued and outstanding Common Shares at the time of the award;
 - b. the total number of Common Shares issuable to any Participant under the LTIP Plan shall not exceed 2% of the issued and outstanding shares in any 12 month period; and

- c. the maximum aggregate number of Common Shares issuable under the LTIP Plan in respect of Deferred Share Units, Performance Share Units, Restricted Share Units and Share Appreciation Rights shall not collectively exceed 6,000,000.
- (iii) Persons performing Investor Relations Activities may only receive Stock Options as Awards under the LTIP Plan.
- (iv) The total number of Common Shares issuable to non-executive directors under the LTIP Plan (excluding the Chairman of the Board, if any) shall not exceed 3% of the issued and outstanding Common Shares.
- (v) The TSX hold period will be applied to Common Shares issuable under the LTIP Plan and any certificates representing those Common Shares will include a legend stipulating that the Common Shares issued are subject to a four month TSX hold period commencing from the grant date.

Except as otherwise provided in an applicable award agreement or as determined by the Board, neither awards nor any rights under any such awards shall be assignable or transferable other than pursuant to a will or by the laws of descent and distribution.

A summary of the types of Awards issuable under the LTIP is attached hereto as Appendix A.

Amendment to the number of Common Shares reserved under the LTIP Plan

Subject to shareholder and TSXV approval, the LTIP Plan will be amended:

1. to increase the maximum number of Common Shares issuable under the LTIP Plan by 5,000,000 Common Shares, from 8,000,000 Common Shares to 13,000,000 Common Shares which is approximately 18.2% of the 71,591,901 Common Shares currently issued and outstanding; and
2. to amend the maximum aggregate number of Common Shares issuable under the LTIP Plan in respect of DSUs, PSUs, RSUs and SARs such that it will not collectively exceed 9,750,000.

Currently, the maximum number of Common Shares the Company is allowed to issue under the LTIP Plan in respect of awards is 8,000,000 (11.2% of the current issued and outstanding Common Shares) and the maximum number of Common Shares issuable in respect of DSUs, PSUs, RSUs and SARs is 6,000,000.

TSXV rules provide that any long-term incentive plan that may permit:

- (i) the aggregate number of shares reserved for issuance under Options granted to Insiders (as defined in TSXV rules) (as a group) at any point in time exceeding 10% of the issued shares of the corporation; or
- (ii) the grant to Insiders (as a group), within a twelve (12) month period, of an aggregate number of Options exceeding 10% of the issued shares of the corporation

must be approved by such the Company's "disinterested shareholders" at the time the plan is to be implemented and at such time that the number of shares reserved for issuance under the plan is amended. Disinterested shareholders are shareholders that are neither insiders nor associates (as defined in TSXV rules) of insiders.

As the LTIP Plan permits the issuance of Options granted to insiders in excess of 10% of the issued and outstanding Common Shares, the resolution below must be approved by not less than a majority of the votes cast by the disinterested shareholders of the Company present in person, or represented by proxy.

As of the Record Date, an aggregate of 3,319,313 Common Shares were held by insiders and their associates and will be excluded from voting on the LTIP Resolution.

The Board is requesting that disinterested shareholders of the Company approve, confirm and ratify the amendment to the LTIP Plan. Accordingly, at the Meeting, disinterested shareholders of the Company will be asked to consider, and if thought fit, to approve the following ordinary resolution (the "**LTIP Resolution**"):

"BE IT HEREBY RESOLVED, as an ordinary resolution, that:

1. An increase in the number of Common Shares reserved for issuance under the Company's long-term incentive plan ("LTIP Plan") to a total of 13,000,000 Common Shares reserved for issuance be approved, confirmed and ratified;
2. An increase to the maximum aggregate number of Common Shares issuable under the LTIP Plan in respect of DSUs, PSUs, RSUs and SARs to a total of 9,750,000 Common Shares be approved, confirmed and ratified;
3. The Board of Directors be and they are hereby authorized on behalf of the Company to revoke this resolution at any time prior to it being acted upon without the further approval of the shareholders of the Company; and
4. Any one officer or director of the Company be, and is hereby, authorized and directed to take all such further actions, execute and deliver such further instruments or documents in writing and do all such other acts and things as in such person's opinion may be necessary or desirable in the name and on behalf of the Company, under its corporate seal or otherwise, to give effect to, and carry out the intent of, the foregoing resolutions, which opinion shall be conclusively evidenced by the taking of such further actions, the execution and delivery of such instruments and documents and the doing of such other acts and things, and to the extent that any such actions were taken, or instruments and documents delivered prior to the date hereof, the taking of such actions and execution and delivery of such documents be, and are hereby approved."

Management recommends that shareholders vote FOR the resolution approving, confirming and ratifying the amendments to the LTIP Plan. Unless you give other instructions, the persons named in the enclosed form of proxy intend to vote FOR the resolution approving, affirming and ratifying the LTIP Plan.

Shareholder Rights Plan

The Company adopted a Shareholder Rights Plan dated September 15, 2020 (the "Shareholder Rights Plan"). A summary of the Shareholder Rights Plan is attached hereto as Appendix B, with the full Shareholder Rights Plan available on our website and on our corporate profile at www.sedar.com and copies are available on request.

The Rights Plan has been adopted to ensure, to the extent possible, that all shareholders of the Company are treated fairly and equally in connection with any take-over bid or other acquisition of control of the Company.

The Rights Plan has not been adopted in response to any specific take-over bid or other proposal to acquire control of the Company and the Company is not aware of any such pending or contemplated proposals.

At the close of business on September 15, 2020, one right was issued and attached to each common share of the Company outstanding at such time. The rights will automatically attach to the common shares and no further action will be required by shareholders. A right will also automatically attach to each common share of the Company issued thereafter.

Subject to the terms of the Rights Plan and to certain exceptions provided therein, the rights will become exercisable in the event that any person, together with joint actors, acquires or announces its intention to acquire 20% or more of the Company's outstanding common shares without complying with the "Permitted Bid" provisions of the Rights Plan or in circumstances where the application of the Rights Plan is waived in accordance with its terms. The "Permitted Bid" provisions prevent the dilutive effects of the Rights Plan from operating if a take-over bid is made to all holders of common shares of the Company (other than the bidder) by way of a take-over bid circular that remains open for acceptance for a minimum of 105 days and satisfies certain other conditions. In circumstances where a take-over bid does not comply with the requirements of the Rights Plan or where the application of the Rights Plan is not waived in accordance with its terms, the rights holders (other than the acquiring person and joint actors) will be entitled to purchase additional common shares of the Company at a significant discount to the market price.

As the Rights Plan requires shareholder approval, Shareholders will be asked to consider, and if thought fit, approve and ratify the Shareholder Rights Plan Agreement entered into between the Company and Odyssey Trust Company, as rights agent, on September 15, 2020 (the "Rights Plan"). The Rights Plan must be approved by not less than a majority of the votes cast by all Shareholders present or represented by proxy at the Meeting.

At the Meeting, Shareholders will be asked to consider, and if thought fit, pass a resolution in substantially the following form:

RESOLVED THAT:

1. The Shareholder Rights Plan Agreement dated September 15, 2020 between the Company and Odyssey Trust Company, as rights agent, is hereby approved, confirmed and ratified; and
2. Any one director or officer of the Company is hereby authorized and directed to execute and deliver, whether under corporate seal or otherwise, any such agreement, instrument, notice, consent, acknowledgement, certificate or other document and to perform and do all such other acts and things, as any such director or officer in his discretion may consider to be necessary or advisable from time to time in order to give effect to this resolution.

Management recommends that shareholders vote FOR the resolution approving, confirming and ratifying the Shareholder Rights Plan. Unless you give other instructions, the persons named in the enclosed form of proxy intend to vote FOR the resolution approving, confirming and ratifying the Shareholder Rights Plan.

Employment, Consulting and Management Agreements

There are no employment, consulting or management agreements under which compensation is paid to a director or NEO.

Oversight and Description of Director and NEO Compensation

The Board has not created or appointed a compensation committee given the Company's current size and stage of development. All tasks related to developing and monitoring the Company's approach to the compensation of the Company's NEOs and directors are performed by the members of the Board.

The compensation of the NEOs, directors and the Company's employees or consultants, if any, is reviewed, recommended and approved by the Board without reference to any specific formula or criteria. NEOs that are also directors of the Company are involved in discussion relating to compensation, and disclose their interest in and abstain from voting on compensation decisions relating to them, as applicable, in accordance with the applicable corporate legislation.

The overall objective of the Company's compensation strategy is to offer short, medium and long-term compensation components to ensure that the Company has in place programs to attract, retain and develop management of the highest calibre and has in place a process to provide for the orderly succession of management, including receipt on an annual basis of any recommendations of the chief executive officer, if any, in this regard.

The Company currently has a short term compensation component in place, which includes the accrual and/or payment of management fees to certain NEOs, and a long-term compensation component in place, which may include the grant of restricted share units, performance share units, deferred share units, stock options and stock appreciation rights under the LTIP Plan. The Company intends to further develop these compensation components. Although it has not to date, the Board may in the future consider, on an annual basis, an award of bonuses to key executives and senior management. The amount and award of such bonuses is expected to be discretionary, depending on, among other factors, the financial performance of the Company and the position of the executive. The Board considers that the payment of such discretionary annual cash bonuses may satisfy the medium term compensation component.

The objectives of the Company's compensation policies and procedures are to align the interests of the Company's employees with the interests of the shareholders. Therefore, a significant portion of total compensation granted by the Company, being the grant of stock options, is based upon overall corporate performance. The Company relies on Board discussion without a formal agenda for objectives, criteria and analysis, when determining executive compensation. There are currently no formal performance goals or similar conditions that must be satisfied in connection with the payment of executive compensation.

Appendix A

Long Term Incentive Plan (“LTIP”)

Types of Awards:

Restricted Share Units. The LTIP Plan provides that the Board may, from time to time, in its sole discretion, grant awards of RSUs to directors, key employees and consultants. Each RSU shall represent one Common Share on vesting. RSUs shall be subject to such restrictions as the Board may establish in the applicable award agreement. The typical restriction for RSUs is time based (i.e. vesting after a fixed period of time). All RSUs will vest and become payable by the issuance of Common Shares at the end of the applicable restriction period if all applicable restrictions have lapsed.

Restrictions on any RSUs shall lapse immediately and become fully vested to the participant upon a change of control. Upon the death of a participant, subject to the applicable award agreement, any RSUs that have not vested will be immediately forfeited and cancelled without payment, provided that any RSUs granted to such participant that had vested prior to the participant's death will accrue to the participant's estate in accordance with the LTIP Plan. If a participant's employment is terminated for cause, any RSUs granted to the participant will immediately terminate without payment and be cancelled as of the termination date. If a participant's employment is terminated without cause, is voluntarily terminated by the participant or termination is due to the participant's retirement or disability, any RSUs granted to the participant will, subject to the applicable award agreement, immediately terminate without payment and be cancelled as of the termination date, provided, however, that any RSUs granted to such participant that had vested prior to the participant's termination without cause, voluntary termination, retirement or disability will accrue to the participant in accordance with the LTIP Plan. In the case of directors, if a participant ceases to be a director for any reason, all RSUs granted to such participant will immediately terminate without payment and be cancelled, provided, however, that any RSUs granted to such participant that had vested prior to the participant ceasing to be a director will accrue to the participant in accordance with the LTIP Plan. Where a consultant's service to the Company terminates for any reason, subject to the applicable award agreement and any other contractual commitments between the participant and the Company, all RSUs granted to such participant will immediately terminate without payment and be cancelled, provided, however, that any RSUs granted to such participant that had vested prior to the termination of the participant's service to the Company will accrue to the participant in accordance with the LTIP Plan.

Performance Share Units. The LTIP Plan provides that the Board may, from time to time, in its sole discretion, grant awards of PSUs to key employees and consultants. Each PSU shall, contingent upon the attainment of the performance criteria within the applicable performance cycle, represent one Common Share, unless otherwise specified in the applicable award agreement. The performance criteria will be established by the Board which, without limitation, may include criteria based on the participant's individual performance and/or financial performance of the Company and its subsidiaries. Typical performance criteria could include gross revenues, EBITDA, share price performance or the attainment of a specified amount of financing. The applicable award agreement may provide the Board with the right to revise the performance criteria during a performance cycle or after it has ended, if unforeseen events occur, including, without limitation, changes in capitalization, equity restructuring, acquisitions or divestitures, if such events have a substantial effect on the financial results of the Company and make the application of the performance criteria unfair absent a revision.

All PSUs will vest and become payable to the extent that the performance criteria are satisfied in the sole determination of the Board. PSUs granted to a participant shall become fully vested and payable to such participant within 95 days after the last day of the performance cycle or upon a change of control. Upon the death of a participant, subject to the applicable award agreement, all PSUs granted to the participant which, prior to the participant's death, had not vested, will immediately be forfeited and cancelled without payment, provided, however, that the Board may determine, in its discretion, the number of the participant's PSUs that will vest based upon the extent to which the applicable performance criteria have been satisfied in that portion of the performance cycle that has lapsed. If a participant's employment is terminated for cause, any PSUs granted to the participant will immediately terminate without payment and be cancelled as of the termination date. If a

participant's employment is terminated without cause, by voluntary termination, or if the participant's employment terminates due to retirement or disability, all PSUs granted to the participant which, prior to such termination without cause, voluntary termination, retirement or disability, had not vested, will immediately be forfeited and cancelled without payment, provided, however, that the Board may determine, in its discretion, the number of the participant's PSUs that will vest based upon the extent to which the applicable performance criteria have been satisfied in that portion of the performance cycle that has lapsed. Where a consultant's service to the Company terminates for any reason, subject to the applicable award agreement and any other contractual commitments between the participant and the Company, all PSUs granted to such participant will immediately be forfeited and cancelled without payment, provided, however, that the Board may determine, in its discretion, the number of the participant's PSUs that will vest based upon the extent to which the applicable performance criteria have been satisfied in that portion of the performance cycle that has lapsed.

Deferred Share Units. The LTIP Plan provides that the Board may, from time to time, in its sole discretion, grant awards of DSUs to directors in lieu of director fees (but not to key employees or consultants). Directors become participants effective as of the date each is first appointed or elected as a director and cease to be participants at the time they cease to be a director for any reason. The number of DSUs to be granted to a participant shall be calculated by dividing the amount of fees selected by the director by the market price on the grant date. The market price is defined in the LTIP Plan as the five-day weighted average closing price of the Company's Common Shares on the immediately preceding five trading days prior to the grant date. Each participant shall be entitled to receive, subsequent to the effective date that the participant ceases to be a director for any reason or any earlier vesting period(s) set forth in the applicable award agreement, either (a) that number of Common Shares equal to the number of DSUs granted to such participant, or (b) a cash payment in an amount equal to the market price of the DSUs granted to such participant on the trading day following the day that the participant ceases to be a director, net of applicable withholdings, and subject to adjustments if the value of a DSU is determined during applicable black-out periods. Upon the death of a participant, such participant's estate shall be entitled to receive, within 120 days, a cash payment or Common Shares that would otherwise have been payable upon such participant ceasing to be a director.

Stock Options. The LTIP Plan provides that the Board may, from time to time, in its discretion, grant awards of Stock Options to directors, key employees and consultants. The number of Stock Options to be granted, the exercise price and the time(s) at which an option may be exercised shall be determined by the Board in its sole discretion, provided that the exercise price of the Stock Options shall not be lower than the exercise price permitted by the Exchange, and further provided that the term of any Stock Option shall not exceed ten years. All Stock Options granted under the LTIP Plan to persons providing investor relations activities will vest and become exercisable over a period of not less than twelve (12) months, with no more than one-quarter (1/4) of such options vesting and becoming exercisable in any three (3) month period.

In the event of a change of control, each outstanding Stock Option issued to directors and key employees shall automatically become fully and immediately vested and exercisable, subject to the policies of the Exchange. Where, in the case of directors and key employees, a participant shall die while an optionee, any Stock Option held by such participant shall be exercisable by the person(s) to whom the rights of the participant under the Stock Option shall pass by will or the laws of descent and distribution for a period of 120 days or prior to the expiration of the Stock Option period in respect of the Stock Option, whichever is sooner, and then only to the extent that such participant was entitled to exercise the Stock Option at the date of death of such participant. Where the employment of a key employee is terminated for cause, no Stock Option held shall be exercisable from the termination date. In the event that the employment of a key employee is terminated without cause, by voluntary termination or due to retirement or, in the case of directors, the participant ceases to be a director for any reason, subject to the applicable award agreement, any Stock Option held shall remain exercisable in full for a period of 60 days after the termination or cessation date (subject to any longer period set out an applicable award agreement, which longer period may not exceed twelve (12) months from such termination or cessation date) or prior to the expiration of the Stock Option period in respect of the Stock Option, whichever is sooner, and then only to the extent that such participant was entitled to exercise the Stock Option at such time. If a director or key employee becomes afflicted by a disability, all Stock Option granted to the participant will continue to vest in accordance with the terms of such Stock Option, provided that if, in the case of key employees, a participant's

employment is terminated due to disability, or in the case of directors, the participant ceases to be a director as a result of disability, subject to the applicable award agreement, any Stock Option held by such participant shall remain exercisable for a period of 120 days after the termination or cessation date or prior to the expiration of the Stock Option period in respect of the Stock Option, whichever is sooner, and then only to the extent that such participant was entitled to exercise the Stock Option at such time. Where a consultant's service to the Company terminates for any reason, subject to the applicable award agreement and any other contractual commitments between the participant and the Company, no Stock Option held by such participant shall be exercisable from the date of termination of service.

Stock Appreciation Rights. The LTIP Plan provides that the Board may, from time to time, in its discretion, grant awards of SARs to directors, key employees and consultants, either on a stand-alone basis or in relation to any options. SARs are awards that entitle the participant to receive an amount (the "**SAR Amount**") equal to the excess, if any, of the current market price on the exercise date over the exercise price of the SAR (the "**SAR Grant Price**"), multiplied by the number of Common Shares in respect of which the SAR is being exercised. The current market price is defined in the LTIP Plan as the last closing price of the Company's Common Shares on the immediately preceding trading day prior to the relevant exercise date. The SAR Amount is payable in Common Shares in an amount equal to the SAR Amount divided by the current market price, provided that the applicable award agreement may provide that the Company may alternatively satisfy the SAR Amount by paying to the participant cash in an amount equal to the SAR Amount. The number of SARs to be granted, the SAR Grant Price and the time(s) at which a SAR may be exercised shall be determined by the Board and set out in an award agreement, provided that the SAR Grant Price shall not be lower than the exercise price permitted by the Exchange and further provided that the term of any SAR shall not exceed ten years. The terms of, and SAR Grant Price of, any SAR granted in relation to an option shall be the same as the terms and exercise price of the option it is granted in relation to.

In the event of a change of control, each outstanding SAR issued to directors and key employees shall automatically become fully and immediately vested and exercisable, subject to the policies of the Exchange. Where, in the case of directors and key employees, a participant shall die while holding a SAR, any SAR held by such participant shall be exercisable by the person(s) to whom the rights of the participant under the SAR shall pass by will or the laws of descent and distribution for a period of 120 days or prior to the expiration of the exercise period in respect of the SAR, whichever is sooner, and then only to the extent that such participant was entitled to exercise the SAR at the date of death of such participant. Where the employment of a key employee is terminated for cause, no SAR held shall be exercisable from the termination date. In the event that the employment of a key employee is terminated without cause, by voluntary termination or due to retirement or, in the case of directors, the participant ceases to be a director for any reason, subject to the applicable award agreement, any SAR held shall remain exercisable in full for a period of 60 days after the termination or cessation date or prior to the expiration of the exercise period in respect of the SAR, whichever is sooner, and then only to the extent that such participant was entitled to exercise the SAR at such time. If a director or key employee becomes afflicted by a disability, all SARs granted to the participant will continue to vest in accordance with the terms of such SARs, provided that if, in the case of key employees, a participant's employment is terminated due to disability, or in the case of directors, the participant ceases to be a director as a result of disability, subject to the applicable award agreement, any SAR held by such participant shall remain exercisable for a period of 120 days after the termination or cessation date or prior to the expiration of the exercise period in respect of the SAR, whichever is sooner, and then only to the extent that such participant was entitled to exercise the SAR at such time. Where a consultant's service to the Company terminates for any reason, subject to the applicable award agreement and any other contractual commitments between the participant and the Company, no SAR held by such participant shall be exercisable from the date of termination of service.

Appendix B

Summary of the Shareholder Rights Plan

Background of the Rights Plan

The Corporation and Odyssey Trust Company (the "**Rights Agent**") entered into a shareholder rights plan agreement (the "**Rights Plan**") dated as of September 15, 2020. A summary of the key features of the Rights Plan follows. This summary is qualified in its entirety by reference to the text of the Rights Plan, as it may be amended from time to time in accordance with its terms, which is available on SEDAR at www.sedar.com. Capitalized terms used in this summary without express definition have the meanings ascribed thereto in the Rights Plan.

Issue of Rights

The Corporation issued one right (a "**Right**") in respect of each Common Share outstanding at the close of business on September 15, 2020 (the "**Record Time**"). The Corporation will issue Rights on the same basis for each Common Share issued after the Record Time but prior to the earlier of the Separation Time (as defined below) and the Expiration Time (as defined below).

Rights Certificates and Transferability

Before the Separation Time, the Rights will be evidenced by the registered ownership of the Common Shares (whether or not evidenced by a certificate representing such Common Shares) and the Rights will not be transferable separate from the Common Shares. From and after the Separation Time, the Rights will be evidenced by separate Rights Certificates which will be transferable separate from and independent of the Common Shares.

Exercise of Rights

Rights are not exercisable before the Separation Time. After the Separation Time and before the Expiration Time, each Right entitles the holder (other than holders described below) to acquire that number of Common Shares having an aggregate Market Price on the date of the occurrence of the Flip-in Event (as defined below) equal to twice the Exercise Price for an amount in cash equal to the Exercise Price (subject to certain anti-dilution adjustments). Subject to adjustment in accordance with the terms of the Rights Plan, the Exercise Price shall be an amount equal to five times the Market Price per Common Share determined as of the Separation Time. Effectively, this means that a shareholder of the Corporation, other than an Acquiring Person (as defined below) and certain persons related to such Acquiring Person as further described in the Rights Plan, can acquire additional Common Shares from treasury at half their Market Price after the Separation Time.

Definition of "Acquiring Person"

Subject to certain exceptions, an Acquiring Person is a person who is the Beneficial Owner (as defined below) of 20% or more of the outstanding Common Shares.

Definition of "Beneficial Ownership"

Under the Rights Plan, a person shall be deemed the "Beneficial Owner" of, and to have "Beneficial Ownership" of, and to "Beneficially Own":

1. any securities of which such person or any Affiliate or Associate of such person or any other person acting jointly or in concert with such person is the owner in law or equity; and
2. any securities as to which such person or any Affiliate or Associate of such person or any other person acting jointly or in concert with such person has the right to acquire upon the conversion, exchange or exercise of any Convertible Securities or pursuant to any agreement, arrangement, pledge or understanding, subject

to certain exceptions, in each case if such right is exercisable immediately or within a period of 60 days thereafter.

However, a person is not deemed the "Beneficial Owner" of, or to have "Beneficial Ownership" of, or to "Beneficially Own" securities under the Rights Plan where, among other things:

1. by reason of the holders of such securities having agreed to deposit or tender such securities to a Take-over Bid made by such person or any of such person's Affiliates or Associates or by any other person acting jointly or in concert with such person pursuant to a Permitted Lock-up Agreement, until those securities have been taken up or paid for, whichever occurs first;
2. such securities have been deposited or tendered pursuant to a Take-over Bid made by such person or any of such person's Affiliates or Associates or by any other person acting jointly or in concert with such person, until those securities have been taken up or paid for, whichever occurs first;
3. such person, any Affiliate or Associate of such person or any other person acting jointly or in concert with such person holds such security, provided that such person is an investment fund or mutual fund manager, a trust company, a statutory body established to manage funds of public bodies, an agent of the Crown for the management of public assets, a pension fund or a pension fund administrator or trustee, as long as such person is not making a Take-over Bid or acting jointly or in concert with a person who is making a Take-over Bid, the whole as more fully described in the Rights Plan and subject to certain exceptions set forth therein; or
4. such person is a registered holder of securities as a result of carrying on the business of or acting as a nominee of a securities depository.

Definition of "Separation Time"

The Separation Time occurs on the tenth trading day after the earlier of the following dates, or such later date as may be determined by the Board:

1. the first date of public announcement of facts indicating that a person has become an Acquiring Person;
2. the date of the commencement or announcement of the intent of a person to commence a Take-over Bid (other than a Permitted Bid (as defined below)); and
3. the date on which a Permitted Bid ceases to qualify as such.

However, if any such Take-over Bid expires, is cancelled, is terminated, or is otherwise withdrawn prior to the Separation Time, then the Take-over Bid shall be deemed never to have been made for purposes of determining the Separation Time.

Definition of "Expiration Time"

The Expiration Time occurs on the date being the earlier of:

1. the time at which the right to exercise Rights is terminated under the terms of the Rights Plan; and
2. if the Corporation does not request that its shareholders confirm the Rights Plan in accordance with the terms of the Rights Plan or if a majority of votes cast by Independent Shareholders who vote in respect of the resolution to approve the Rights Plan are voted against the Rights Plan, immediately upon the confirmation by the chairman of such shareholders' meeting of the result of the vote on such resolution.

Definition of a "Flip-in Event"

A Flip-in Event occurs when a person becomes an Acquiring Person. Upon the occurrence of a Flip-in Event, any Rights that are beneficially owned by an Acquiring Person or by certain persons related to the Acquiring Person or by persons to whom the Acquiring Person has transferred its Rights, will become null and void. As a result, the Acquiring Person's investment in the Corporation would be greatly diluted if a substantial portion of the Rights are exercised after a Flip-in Event occurs.

Definition of "Permitted Bid"

A Permitted Bid is a Take-over Bid made by an Offeror by way of a Take-over Bid circular that complies with the following conditions:

1. the Take-over Bid is made to all registered holders of Common Shares (other than Common Shares held by the Offeror);
2. the Offeror agrees that no Common Shares and/or Convertible Securities will be taken up or paid for under the bid on a date which is not earlier than 105 days following the commencement of the bid, or such shorter period that a take-over bid (that is not exempt from the general take-over bid requirements of National Instrument 62-104 *Take-Over Bids and Issuer Bids* ("**NI 62-104**")) must remain open for deposits of securities thereunder in the applicable circumstances at such time, pursuant to NI 62-104;
3. the Offeror agrees that no Common Shares and/or Convertible Securities will be taken up or paid for under the bid unless, on the date referred to in paragraph 2 above: (i) if the Take-over Bid is for Common Shares only, more than 50% of the outstanding Common Shares held by Independent Shareholders have been deposited or tendered pursuant to the bid and not withdrawn; or (ii) in all other cases, more than 50% of a combination of the then outstanding Common Shares and Convertible Securities held by Independent Shareholders have been deposited or tendered pursuant to the bid and not withdrawn;
4. the Offeror agrees that the Common Shares and, if applicable, Convertible Securities may be deposited to the Take-over Bid at any time before the date of the first take-up of or payment for Common Shares and, if applicable, Convertible Securities, unless the Take-over Bid is withdrawn, and Common Shares deposited to the Take-over Bid may be withdrawn at any time until taken up or paid for; and
5. if the condition in paragraph 3 above is satisfied, the bid shall remain open for an additional period of at least 10 days to permit the remaining shareholders to tender their Common Shares and, if applicable, Convertible Securities.

A Permitted Bid also includes a Competing Permitted Bid (as defined below).

Definition of "Competing Permitted Bid"

A Competing Permitted Bid is a Take-over Bid that:

1. is made while another Permitted Bid is in existence; and
2. satisfies all the requirements of a Permitted Bid, other than the requirement set out in paragraph 2 of the definition of "Permitted Bid" above, and contains a condition that no Common Shares and/or Convertible Securities shall be taken up or paid for under the Competing Permitted Bid prior to a date that is no earlier than the date on which Common Shares may be taken up or paid for under any other Permitted Bid that preceded the Competing Permitted Bid that is then in existence for the Common Shares.

Definition of "Permitted Lock-up Agreement"

A Permitted Lock-up Agreement is an agreement between a person making a Take-over Bid (the "**Lock-up Bid**") and one or more holders (each, a "**Locked-up Person**") of Common Shares and/or Convertible Securities pursuant to which such Locked-up Persons agree to deposit or tender Common Shares or Convertible Securities to the Lock-up Bid and where the agreement:

1. permits the Locked-up Person to terminate its obligation to deposit or tender to or not to withdraw Common Shares and/or Convertible Securities from the Lock-up Bid in order to tender or deposit such Common Shares and/or Convertible Securities to another Take-over Bid or support another transaction where the price or value per Common Share or Convertible Security offered under such Take-over Bid or transaction is higher than the price or value per Common Share or Convertible security offered under the Lock-up Bid; or
2. permits the Locked-up Person to terminate its obligation to deposit or tender to or not to withdraw Common Shares and/or Convertible Securities from the Lock-up Bid in order to tender or deposit such Common Shares and/or Convertible Securities to another Take-over Bid or support another transaction if: (i) the price or value per Common Share or Convertible Security offered under the other Take-over Bid or transaction exceeds the price or value per Common Share or Convertible Security offered under the Lock-up Bid by as much as or more than a specified amount not greater than 7% of the price or value per Common Share or Convertible Security offered under the Lock-up Bid; or (ii) the number of Common Shares or Convertible Securities to be purchased under such other Take-over Bid or transaction exceeds the number of Common Shares or Convertible Securities offered to be purchased under the Lock-up Bid by as much or more than a specified number of Common Shares or Convertible Securities not greater than 7% of the number of Common Shares or Convertible Securities offered to be purchased under the Lock-up Bid, at a price or value per Common Share or Convertible Security that is not less than the price or value per Common Share or Convertible Security offered under the Lock-up Bid; and
3. provides for no "break-up" fees, "top-up" fees, penalties, expenses or other amounts that exceed in the aggregate the greater of: (i) the cash equivalent of 2.5% of the price or value payable under the Lock-up Bid to the Locked-up Person, and (ii) 50% of the amount by which the price or value payable under another Take-over Bid or another transaction to a Locked-up Person exceeds the price or value of the consideration that such Locked-up Person would have received under the Lock-up Bid, to be payable by such Locked-up Person pursuant to the agreement if any Locked-up Person fails to tender Common Shares or Convertible Securities pursuant thereto or withdraws Common Shares or Convertible Securities previously tendered thereto in order to tender such Common Shares or Convertible Securities to another Take-over Bid or support another transaction.

Fiduciary Duties of Directors

The Rights Plan will not detract from or lessen duties of the Board, including the duty to act honestly and in good faith with a view to the best interests of the Corporation and its shareholders. The Board will continue to have the duty and power to take such actions and make such recommendations to the Corporation's shareholders as are considered appropriate.

Redemption of Rights

The Rights may be redeemed by the Board at its option with the prior approval of the shareholders at any time prior to the later of the Stock Acquisition Date and the Separation Time at a redemption price of \$0.000001 per Right. In addition, the Rights will be redeemed automatically in the event of a successful Permitted Bid, including a Competing Permitted Bid, or a bid for which the Board has waived, in accordance with the provisions of the Rights Plan, the operation of the Rights Plan.

Waiver

Before a Flip-in Event occurs, the Board may waive the application of the Flip-in provisions of the Rights Plan to any prospective Flip-in Event which would occur by reason of a Take-over Bid made by a Take-over Bid circular to all registered holders of Common Shares. However, if the Board waives the Rights Plan with respect to a particular bid, it will be deemed to have waived the Rights Plan with respect to any other Take-over Bid made by Take-over Bid circular to all registered holders of Common Shares before the expiry of that first bid.

The Board may also waive the "Flip-in" provisions of the Rights Plan in respect of any Flip-in Event provided that the Board has determined that the Acquiring Person became an Acquiring Person through inadvertence and on the condition that such Acquiring Person reduces its ownership to such a level that it is no longer an Acquiring Person.

Finally, the Board may waive the "Flip-in" provisions of the Rights Plan in respect of any Flip-in Event provided that the Acquiring Person has reduced its ownership or has entered into a contractual arrangement with the Corporation or other acceptable undertaking to do so such that at the time the waiver becomes effective such person is no longer an Acquiring Person.

Other waivers of the "Flip-in" provisions of the Rights Plan will require prior approval of the shareholders of the Corporation.

Term of the Rights Plan

The Rights Plan must be ratified by shareholders at the Meeting in order to stay in effect. Subsequently, the Rights Plan must be reconfirmed by the shareholders every three years thereafter.

Amending Power

Except for minor amendments to correct clerical or typographical errors and amendments to maintain the validity of the Rights Plan as a result of a change in any applicable legislation, regulations or rules, consent of shareholders is required for amendments to the Rights Plan before the Separation Time. Consent of the holders of Rights is required for amendments to the Rights Plan after the Separation Time and before the Expiration Time.

Rights Agent

Odyssey Trust Company

Holders of Rights not Shareholders

Until a Right is exercised, the holder thereof as such will have no rights as a shareholder of the Corporation.

Objectives of the Rights Plan

The Rights Plan is not being proposed by management in anticipation of any pending or threatened take-over bid, nor to deter take-over bids generally. The primary objectives of the Rights Plan are to seek to ensure that, in the context of a bid for control of the Corporation through an acquisition of Common Shares, all shareholders have an equal opportunity to participate in the bid. The Rights Plan is not intended to prohibit a change of control of the Corporation in a transaction that is procedurally fair to shareholders. The rights of shareholders to seek a change in the Board or to influence or promote action of the Board in a particular manner will not be affected by the Rights Plan. The Rights Plan is not designed to alter, diminish or reduce the fiduciary duties of our directors if faced with a potential change of control transaction or restrict the potential actions that might be taken by the directors in such circumstances.

In adopting the Rights Plan, the Board considered a number of factors, including the following concerns arising from the existing securities law framework that applies to take-over bids in Canada after the changes to NI 62-104 were implemented in 2016.

Under the previous take-over bid regime in Canada, a take-over bid was only required to remain open for 35 days. Shareholder rights plans were utilized to effectively extend such time period, which allowed the board of the target company to solicit white knights or pursue other alternative transactions. As a result of recent amendments to the take-over bid regime under NI 62-104, a formal take-over bid must now remain open for a minimum of 105 days, subject to certain exceptions, and this time period also applies under the Rights Plan.

While existing Canadian securities legislation has established a number of procedural requirements for the conduct of take-over bids, which generally require that a take-over bid be made to all shareholders and that a bidder offer identical consideration to all shareholders, the take-over bid regime includes exemptions to the formal bid requirements that could operate to allow control of an issuer to be acquired without the making of a formal take-over bid to all shareholders. Specifically, Canadian securities legislation allows a small group of securityholders to dispose of their securities pursuant to a private agreement at a premium to market price, which premium is not shared with other securityholders. In addition, a person may slowly accumulate securities through stock exchange acquisitions which may result, over time, in an acquisition of control without payment of fair value for control or a fair sharing of a control premium among all securityholders. It may also be possible to engage in transactions outside of Canada without regard to these protections. The Rights Plan addresses these concerns by applying to all acquisitions that would result in a person owning 20% or more of the Common Shares (subject to certain limited exceptions), thereby generally precluding a person from acquiring a control interest in the Corporation without making a Permitted Bid to all shareholders.

A shareholder may feel pressured to tender to a bid that the shareholder considers to be inadequate out of a concern that failing to tender may result in the shareholder being left with illiquid or minority discounted securities in the Corporation. This is particularly so in the case of a partial bid for less than all securities of a class, where the bidder wishes to obtain a control position but does not wish to acquire all of the Common Shares. The Rights Plan provides a mechanism in the Permitted Bid provision that is intended to address this concern by requiring that a take-over bid remain open for acceptance for a further 10 Business Days following public announcement that more than 50% of the Common Shares held by Independent Shareholders have been deposited and not withdrawn. This mechanism is intended to lessen any undue pressure to tender that may be encountered by a shareholder, as the shareholder will have the ability to tender during a subsequent offering period after learning that a majority of the other shareholders of the Corporation have tendered to the offer.

General Impact of the Rights Plan

It is not the intention of the Board, in approving the Rights Plan, to secure the continuance of existing directors or management in office, nor to avoid a bid for control of the Corporation in a transaction that is procedurally fair. For example, through the Permitted Bid mechanism, shareholders may tender to a bid that meets the Permitted Bid criteria without triggering the exercise of Rights under the Rights Plan, regardless of the value of the consideration being offered under the bid. The Rights Plan should not preclude any shareholder from utilizing the proxy mechanism under the *British Columbia Business Corporations Act* ("**BCBCA**") and securities laws to promote a change in the management or direction of the Corporation, or the Board, and is designed to have no effect on the rights of holders of outstanding Common Shares to requisition a meeting in accordance with the provisions of the BCBCA, or to enter into agreements with respect to voting their Common Shares. The definitions of "Acquiring Person" and "Beneficial Ownership" have been developed to minimize concerns that the Rights Plan may be inadvertently triggered or triggered as a result of an overly broad aggregation of holdings of institutional shareholders and their clients. The Rights Plan is not expected to interfere with the day-to-day operations of the Corporation. The issuance of the Rights does not in any way alter the financial condition of the Corporation, impede its business plans or alter its financial statements. In summary, the Board believes that the dominant effect of the Rights Plan will be to ensure equal treatment of all shareholders in the context of an acquisition of control.

Appendix C

Audit Committee Charter

Mandate: The function of the audit committee (the "**Committee**") is to assist the Board in fulfilling its financial oversight responsibilities by reviewing the financial reports and other financial information provided by the Company to regulatory authorities and shareholders, the Company's systems of internal controls regarding finance and accounting and the Company's auditing, accounting and financial reporting processes. The Committee's duties and responsibilities are to serve as an independent and objective party to monitor the Company's financial reporting and internal control system and review the Company's financial statements, review and appraise the performance of the Company's external auditor; and provide an open avenue of communication among the Company's auditor, financial and senior management and the Board.

Composition: The Committee shall be comprised of a minimum three directors as determined by the Board. If the Company ceases to be a "venture issuer" (as that term is defined in NI 52-110), then all of the members of the Committee shall be free from any material relationship with the Company that, in the opinion of the Board, would interfere with the exercise of their independent judgment as a member of the Committee.

If the Company ceases to be a "venture issuer" then all members of the Committee shall also have accounting or related financial management expertise. For the purposes of the Company's Audit Committee Charter, the definition of "financially literate" is the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements. The members of the Committee shall be elected by the Board at its first meeting following the annual shareholders' meeting. Unless a Chair is elected by the full Board of Directors, the members of the Committee may designate a Chair by a majority vote of the full Committee membership.

Meetings: The Committee shall meet a least once annually, or more frequently as circumstances dictate or as may be prescribed by securities regulatory requirements. As part of its job to foster open communication, the Committee will meet at least annually with the Chief Financial Officer and the external auditor.

Responsibilities and Duties: To fulfill its responsibilities and duties, the Committee shall:

1. Documents/Reports Review: review and update the Audit Committee Charter annually and review the Company's financial statements, management discussion and analysis and any annual and interim earnings press releases before the Company publicly discloses this information and any reports or other financial information (including quarterly financial statements), which are submitted to any governmental body, or to the public, including any certification, report, opinion, or review rendered by the external auditor.
2. External Auditor:
 - (a) review annually, the performance of the external auditor who shall be ultimately accountable to the Board and the Committee as representatives of the shareholders of the Company;
 - (b) obtain annually, a formal written statement of external auditor setting forth all relationships between the external auditor and the Company and review and discuss with the external auditor any disclosed relationships or services that may impact the objectivity and independence of the external auditor;
 - (d) take, or recommend that the Board take, appropriate action to oversee the independence of the external auditor, including the resolution of disagreements between management and the external auditor regarding financial reporting;

- (e) recommend to the Board the selection and, where applicable, the replacement of the external auditor nominated annually for shareholder approval and to recommend to the Board the compensation to be paid to the external auditor;
- (g) at each meeting, where desired, consult with the external auditor, without the presence of management, about the quality of the Company's accounting principles, internal controls and the completeness and accuracy of the Company's financial statements;
- (h) review and approve the Company's hiring policies regarding partners, employees and former partners and employees of the present and former external auditor of the Company;
- (i) review with management and the external auditor the audit plan for the year-end financial statements and review and pre-approve all audit and audit-related services and the fees and other compensation related thereto, and any non-audit services, provided by the Company's external auditor. The pre-approval requirement is waived with respect to the provision of non-audit services if:
 - (i) the aggregate amount of all such non-audit services provided to the Company constitutes not more than five percent of the total amount of revenues paid by the Company to its external auditor during the fiscal year in which the non-audit services are provided,
 - (ii) such services were not recognized by the Company at the time of the engagement to be non-audit services, and
 - (iii) such services are promptly brought to the attention of the Committee by the Company and approved prior to the completion of the audit by the Committee or by one or more members of the Committee who are members of the Board to whom authority to grant such approvals has been delegated by the Committee.

Provided the pre-approval of the non-audit services is presented to the Committee's first scheduled meeting following such approval, such authority may be delegated by the Committee to one or more independent members of the Committee.

3. Financial Reporting Processes:

- (a) in consultation with the external auditor, review with management the integrity of the Company's financial reporting process, both internal and external;
- (b) consider the external auditor's judgments about the quality and appropriateness of the Company's accounting principles as applied in its financial reporting;
- (c) consider and approve, if appropriate, changes to the Company's auditing and accounting principles and practices as suggested by the external auditor and management;
- (d) review significant judgments made by management in the preparation of the financial statements and the view of the external auditor as to appropriateness of such judgments;
- (e) following completion of the annual audit, review separately with management and the external auditor any significant difficulties encountered during the course of the audit, including any restrictions on the scope of work or access to required information;
- (f) review any significant disagreement among management and the external auditor in connection with the preparation of the financial statements;
- (g) review with the external auditor and management the extent to which changes and improvements in financial or accounting practices have been implemented;

- (h) review any complaints or concerns about any questionable accounting, internal accounting controls or auditing matters;
 - (i) review certification process;
 - (j) establish a procedure for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters; and
 - (k) establish a procedure for the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters.
4. Other - review any related-party transactions, engage independent counsel and other advisors as it determines necessary to carry out its duties and to set and pay compensation for any independent counsel and other advisors employed by the Committee.
